

MINIMAL MOVE 2

3D Puzzle Game — Coming first to iOS & Android — PC & Consoles planned for a later release

About

Minimal Move 2 is a 3D puzzle game where every move matters. Guide Ido and Kaiten through handcrafted spatial puzzles, manipulate the world around them, and find your own path to the portal.

Key Features

- Handcrafted spatial puzzles built around movement and manipulation.
- Unlock colorful worlds in the order you choose.
- Each world introduces new mechanics and challenges.
- Guide Ido and Kaiten through a new collection of spatial puzzles.

About Tako Studio

Tako Studio is an independent game studio based in Tokyo, Japan, creator of Minimal Move and Nihon Legacy.

About the original Minimal Move

Minimal Move was originally released in 2021 for PC and Nintendo Switch. The game received an Epic MegaGrant and won Best Game Design at Taipei Game Show 2020.
